### YOU REALLY HAVE TO READ THIS

- If you cannot make a rostered patrol please arrange to swap/SUB with someone from another patrol. **PLEASE don't leave your patrol short.** Let your Patrol Captain know what you are doing.
- Please ensure this person has, as a minimum, the **same qualifications** as you (ie – if you are a crew person you need to organize another crew person to sub for you)
- Please arrive **at least 15 minutes prior** to patrol (morning patrols) to help set up – don't leave it to others and many hands DO make light work.
- **Following patrol** make sure you leave the gear area, first aid room, bathrooms, kitchen etc, area **clean & tidy** and please put out the wheelie bins if you are the last patrol on Sunday.
- If you have any questions, comments etc. please talk to your patrol captain or contact either of us anytime on ph: 6554 0757 or email: markandsuemartin@gmail.com

Let's make this a great season.

Thanks for your efforts
